A SUDDEN TWINGE

Of a pain is generally the first warning of an attack of rheumatism. It feels as if the disease were in the bones or muscles, but the real cause of rheumatism is found in impure blood. In order to cure rheumatism the blood must be cleansed of the poisonous impurities which are the cause of the disease.

Dr. Pierce's Golden Medical Discovery has been very successful in the cure of rheumatism, because it entirely cleanses the blood from the poisonous uric acid which is the cause of the disease.

Your "Golden Medical Discovery" cured me of rheumatism after I had tried a dozen remedies without relief and also gone West in search of health. writes Harry Kitter, of No. 146 1/2 St. Denver, Colo. "Only those who have suffered from this dread malady know the pain and misery I endured for over five years. Whenever the weather was damp or cold my troubles were increased and my joints would be so stiff and sore that I was hardly able to move about, and often unable to dress myself. I used a number of highly recommended medicines, but they had no effect whatever on me, and I came to Colorado hoping to regain my health, but failed to obtain the relief I had hoped for. A gentleman in the house where I lived advised me to use Dr. Pierce's Golden Medical Discovery, and in four months and a half after I began using it I was a well man, and have had no touch of it for the past seven months."

These tiny, sugar-coated antirheumatic granules regulate and invigorate the stomach to Live and Bowels. Do not forget the "pill habit," but cure constipation. One or two days for a laxative, and regular, three or four for an active cathartic. Once tried always in favor. Put up in vials; always fresh and reliable.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which, despite the most beneficent environment of soil and sunshine—and of atmosphere, seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Horror of War.

A dispatch from the headquarters of General Repenkaupf, near Oubienepusa, dated Saturday, paints the following terrible picture of the horrors of war: "The road northward is crowded so far as the eye can reach by a continuous file of two-wheeled Chinese carts full of Russian wounded, the best testimony of the valor with which the army of the East, fighting continuously for a fortnight, has defended every inch of ground over which it has been compelled by superior numbers to retire. Each cart bears from three to five wounded men whose exhaustion is almost too utter for them to feel pain. Scarcely a groan or cry is heard—not even the moans of the dying—only the dismal creak of the rude wheels and the thud of the ponies' hoofs are audible. Most of the wounded have their heads covered with Chinese blankets or dirty coats stiff with coagulated blood hiding vain and dirty faces distorted with pain, sunken eyes and expanded nostrils. Here and there is seen a cart with two wounded men between whom is a corpse, which with every jolt pounds against the helpless living comrades of the man on whose face death had sealed the distortion of unbearable agony. The valley in front of the Russian position has become a valley of death. Corpses strewn about the battlefield, from which neither side can remove its dead. Again and again the Japanese charged down the slope and up the hill. Again and again the Russians counter-attacked, trying to gain possession of the hill with the tower. No quarter was asked for or given by either side. The enemy ceased only in death—the wounded with breasts torn open by shrapnel or bayonet essaying another shot with their last breath. Here sits a Japanese upon a stone, a moment's pause for rest having stretched him into eternity. There lie two foes with bayonets sheathed in each other's breasts. Everywhere corpses—corpses—corpses."
